

International Union of Pure and Applied Physics

To stimulate and facilitate international cooperation in physics and the worldwide development of science.

## CALL FOR NOMINATIONS IUPAP Young Scientist Prize in Atomic, Molecular and Optical Physics 2015

Nominations are sought for the Young Scientist Prize in Atomic, Molecular and Optical (AMO) Physics, which will be awarded in 2015 by the International Union of Pure and Applied Physics through Commission C15 (AMO Physics). The prize will be awarded during the 29<sup>th</sup> International Conference on Photonic, Electronic and Atomic Collisions (ICPEAC) to be held on 22-28 July 2015 at the Congress Centre El Greco in Toledo, Spain. The Prize includes a certificate, a medal, a EURO 1,000 award and an invited presentation at ICPEAC.

Nominees for the 2015 award are expected to have made original and outstanding contributions to the field of AMO Physics. If the work was performed in collaboration, the leading personal contribution of the nominee must be clearly identified. To qualify as a “Young Scientist,” a nominee should have had, by 1 January 2015, no more than 8 years research experience (excluding career interruption) following the PhD. That is, the year of the PhD must have been 2007 or later, barring career interruptions.

Nominations should include:

- A brief paragraph stating the achievement for which the nominee is to be recognized.
- Curriculum vitae including all publications.

Self-nominations will not be considered.

Nominations should be sent to:

Toshiyuki Azuma  
Atomic, Molecular & Optical Physics Lab., RIKEN
